LEAN PRACTITIONER CERTIFICATION

ONLINE TRAINING

SELF-PACED PROGRAM

Become a Confident Problem Solver and Process Leader!

Take your Lean skills to the next level with the Lean Practitioner Certification — a self-paced, hands-on program designed to help you solve complex problems and deliver measurable process improvements.

This course builds upon foundational Lean concepts to deepen your understanding of structured problem-solving, root cause analysis, and result presentation. Whether you are driving team improvements or leading small projects, this certification will empower you to create sustainable, data-driven change.

👉 Ideal for team members and professionals ready to strengthen their improvement skills and make a greater organizational impact.

LEAN PRACTITIONER CERTIFICATION

ONLINE TRAINING

SELF-PACED PROGRAM

☀️ Course Overview

As a Lean Practitioner, you will become proficient in identifying inefficiencies, analyzing root causes, and communicating measurable results. You will learn how to structure your problem-solving approach and drive improvement initiatives that generate real value.

🖥️ Course Format

- 📺 **Delivery:** Self-Paced, Online
- 🕒 **Access Period:** 12 Months from Registration
- ⌚ **Time to Complete:** 1–3 Months
- 🚫 **Prerequisites:** None

📖 Course Components

Component	Details
📚 Modules	13
🎥 Video Hours	2.2 Hours
😊 Knowledge Checks	11
📖 Activity Books	14
👤 Coaching & Mentorship	3 Hours

✅ Key Learnings

Develop practical expertise in Lean problem-solving with focus areas including:

- 📄 What is A3 – Learn structured problem-solving using the A3 method.
- 🔍 Root Cause Analysis – Identify true sources of problems and eliminate them sustainably.
- 📊 Showing Your Results – Communicate findings and demonstrate measurable impact effectively.

🕒 Timeline

Learners are encouraged to complete the program within 1–3 months, progressing through all 13 modules and applied activities at their own pace.

💡 Expected Outcomes & Savings

Upon completion, you will be equipped to lead improvement projects that can generate \$0–\$25,000 in company savings per student, while building confidence as a Lean Practitioner and problem-solving leader.

🏆 Certificate Awarded Upon Completion

Showcase your achievement and advance your career with the Lean Practitioner Certification — proof of your ability to solve complex problems and drive results.
